### **Agricultural Permit Guidelines**

1. Site Approval/Zoning application shall be completed- site inspection/review will be scheduled after this form is complete
2. A plat of the property shall be submitted showing the location of the proposed structure on the property with all distances from property lines- this shall be part of item number one so a proper site inspection can be performed
3. The Farm Structure Affidavit shall be completed and returned to the Building and Planning Office.

Note: All items listed shall be completed before a final permit is issued.
